

50kN Bend Fixture

Compression Rating: 50kN or about 11,000 lbs.

Max Sample Span: 250mm or 330mm when turned

Standard Mandrel Sizes: 10mm, 20mm, 30mm, all included – custom available.

Adapter Couping: 1.25" female with 0.5" locking pin

This standard bend fixture can be customized in many ways. The length of the fixture can be extended for about \$125 per extra 100mm. The support spans are reversible and can also be changed to include articulating supports or extra wide supports. Check out our custom design pictures on our website.
